

Incorporating functionality and value into  
**ONE** MULTIFUNCTIONAL  
DEVICE

The new  
**imageRUNNER 2422L**  
is all these and more

It's a **printer.**  
It's a **copier.**  
It's a **scanner.**

Designed with small offices and corporate workgroups in mind, the imageRUNNER 2422L combines the functions of various essential office peripherals into one single device.

Providing print speeds of 22 pages per minute, you can achieve greater productivity at an exceptional value. Meet the needs of your office today with one essential device: the imageRUNNER 2422L.

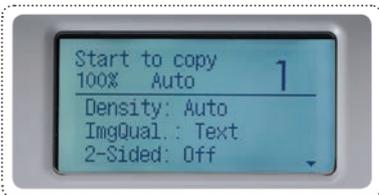

## FEATURES

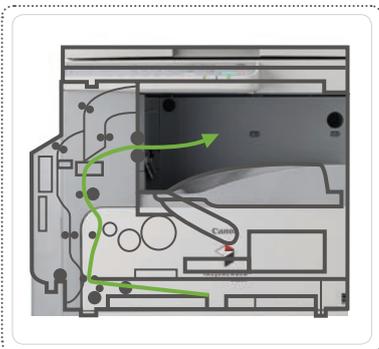

User-friendly + Uncompromising functionality

**Duplex Automatic Document Feeder** automatically sends the originals placed in the feeder to the platen glass to perform duplexing. This optional accessory reduces manual labor, without the need to scan the originals manually.

**Large 5-Line Display** makes it easier for you to navigate to what you need at a glance.

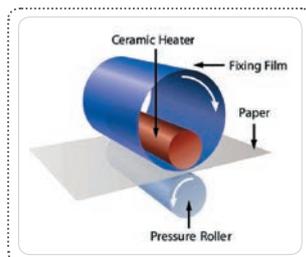

**Vertical Paper Path** minimizes the likelihood of paper feeding jams. In addition, the shorter paper transport paths also translates to faster image transfer and printing.

**Smart Design and Space Saving Internal Finisher** adds a professional finish without increasing the device footprint. This optional accessory reduces manual labor with basic stapling and collation features, creating professional-looking documents effortlessly.

**Maximum Input Capacity** can be increased where needed. Upgrade from the default 250 sheet paper cassette up to a 1,000 sheet capacity to ensure ongoing productivity.

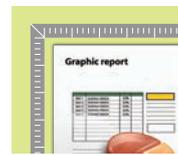

**Energy Conservation Design** built into Canon's RAPID Fusing System™ means the imageRUNNER device is ready to print instantly when needed, without long warm-up times and energy waste. This increases productivity, reduces energy cost, and helps save the environment at the same time.

# Amazing copy features to get to what you want

## Scan-Once-Print-Many

Scan your original document just once, and let the imageRUNNER 2422L produce copies from the stored digital image, reducing internal device wear and tear.

Scan Once

Digital Image Memory

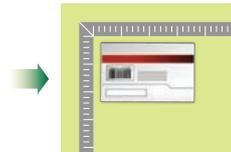

Multiple Copies

## Identification Card Copy

Making copies of ID cards is easy when you use the ID Card Copy function. Both sides of the card will be scanned before they are printed on a single side of the paper.

Scan Front of Card

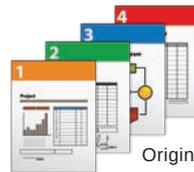

Scan Back of Card

Automatic Single Sheet Copy

## Rotation and Collation

imageRUNNER 2422L allows rotation and collation of paper outputs without requiring optional finishers.

Original

Rotate Collate

## Image Combination

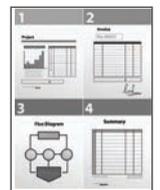

Save paper and filing space by combining 4 separate originals onto a single sheet of paper.

Original

Copy

## Enhanced Auto-Magnification

imageRUNNER 2422L offers a wide zoom ratio range of 25% - 400%. Enlarge or reduce contents to fit your desired paper size automatically at the touch of a button, eliminating the need to guess the copy ratio.

Original

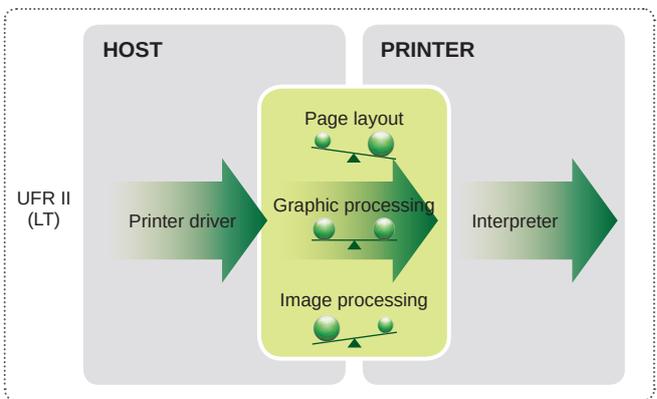

Contents fit to page

# Powerful print features are now within reach

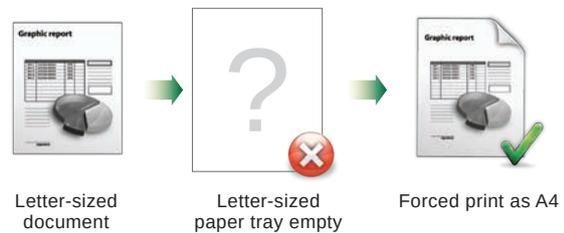

## Enhanced Digital Local Print

imageRUNNER 2422L offers you 600 x 600 dpi Standard Local Print, eliminating the costs incurred on an additional standalone printer. Using Canon's innovative Ultra Fast Rendering II (UFR II LT) printing technology, you can achieve an optimal balance of quality and speed for every print job.

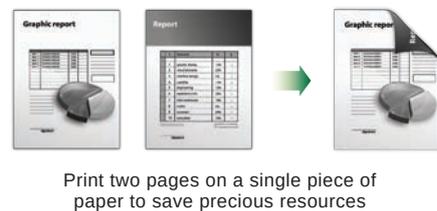

## Forced Print with Auto Size Detection

Forced Printing allows paper output when desired output size is out of supply or not available. Letter-sized documents can be force printed to A4, and ledger-sized documents to A3, ensuring critical print outputs.

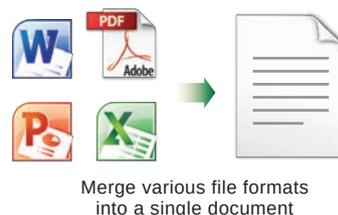

## Convenient Duplex Printing

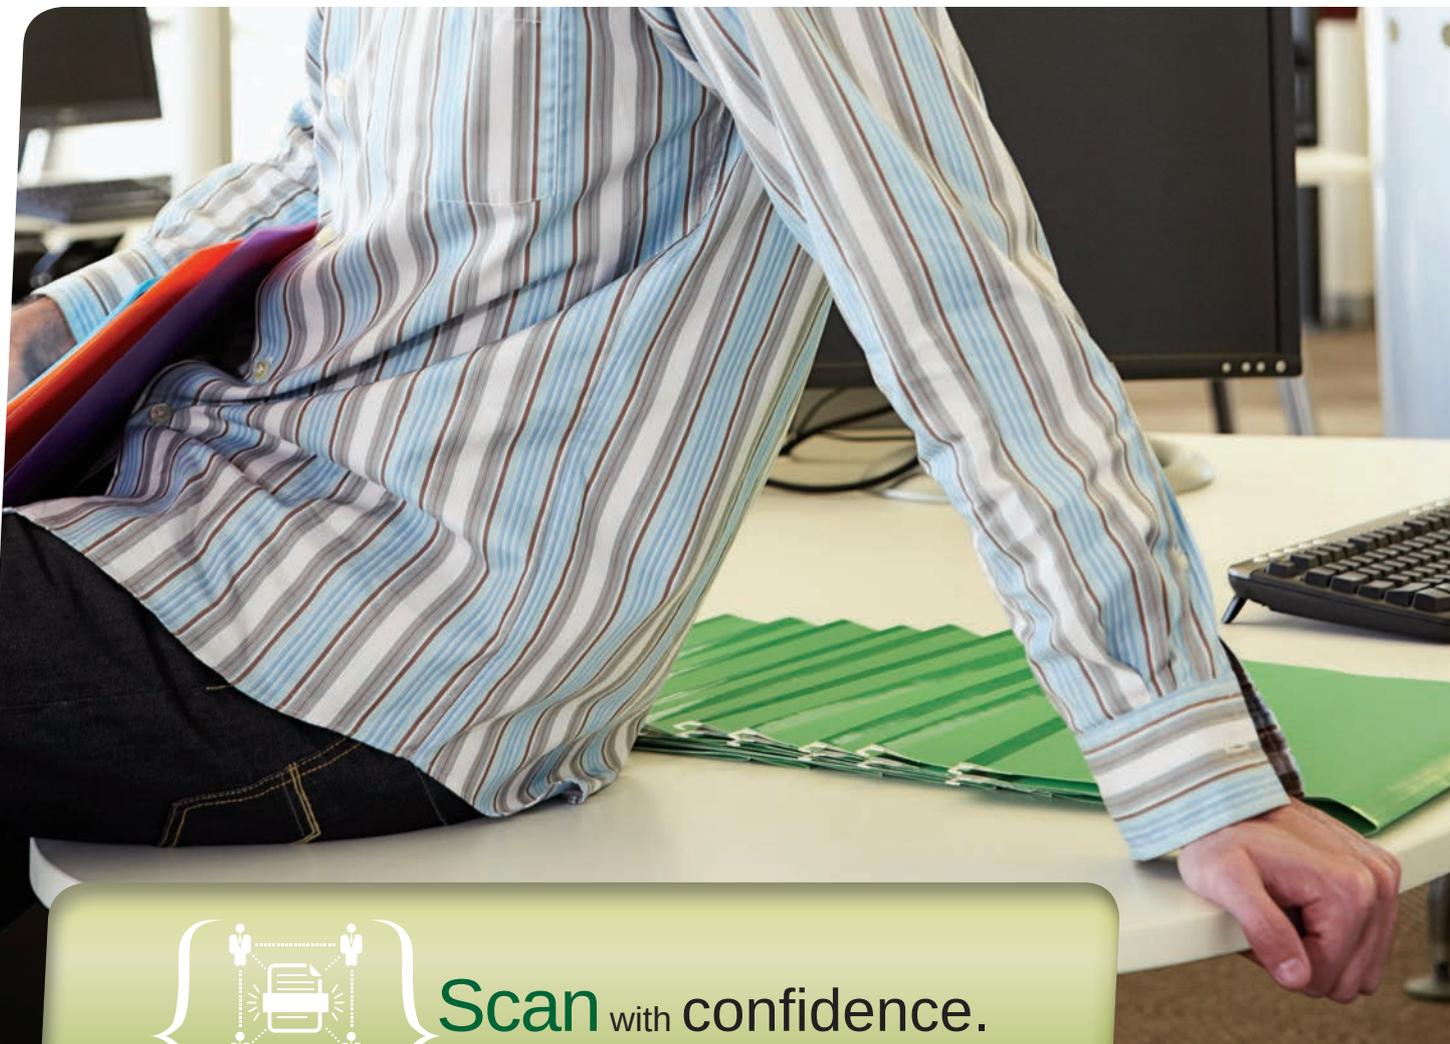

With an optional integrated duplex unit, you can perform two-sided printing on your imageRUNNER and reduce paper costs significantly.

## Easier Merging with Page Composer

Canon's Page Composer allows you to merge documents from different applications (Microsoft Word, Excel, PowerPoint, PDF, etc.) into a single electronic document right from your desktop. You can then delete, duplicate and preview the merged document before actual printing.

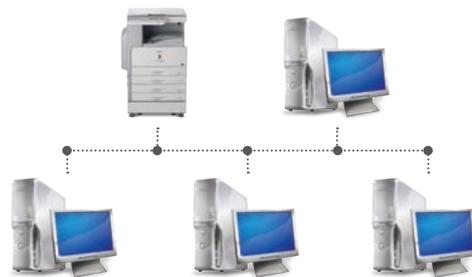

Scan with confidence.  
Connect with ease.

### Network Printing Capability

The imageRUNNER 2422L is designed to be an essential part of your office. With the optional network card installed, users in your office network can access this as a central printing device without the need for additional standalone printers.

### Scan Solution with Color Network ScanGear

The imageRUNNER 2422L is a black and white multifunctional printer with full color scanning capabilities. Its optional color network scanning supports up to A3 size to provide greater accuracy and electronic document distribution.

The scanned images, imported in black-and-white or full color, can be edited with any Windows TWAIN-compliant applications to create clear, detailed images.

# Extend your imageRUNNER's capabilities with optional accessories

## imageRUNNER 2422L

- › 22 pages per minute output
- › Standard Local Print, with easy and direct connection through USB
- › Advanced copying features such as Reserved Copy, Frame Erase, Image Combination, Zoom Mode and ID Card Copy
- › Large 5-Line user interface for easy navigation
- › Print outputs collated to your preference for easy and fast distribution

### {OPTIONAL ACCESSORIES}

#### Auto Duplexing Feeder

DADF-P2

#### 2-Way Paper Output

Inner 2-Way Tray-E2

#### Network Option

NW IF Adaptor IN-E14

### {ADDITIONAL PAPER CASSETTES}

#### Paper Cassettes

Casette Feeding Module-S1

Casette Feeding Module-T1

### {FINISHER OPTIONS}

#### Output Option

Finisher-U2

#### Other Accessories

- Size Adjustor-A1
- Cabinet-Z1
- Cabinet- Y1
- Document Tray-J1
- Platen Cover Type J
- Additional Finisher Tray-C1
- Power Supply-Q1
- Duplex Unit-A1

#### Supplies and Consumables

- GPR-18 Toner Black
- GPR-18 Drum Black
- Staple Cartridge-J1

GPR-18 Toner

## SPECIFICATIONS imageRUNNER 2422L

Main Unit		
Type	Desktop	
Maximum Original Size	A3	
Developing System	Single component dry toner projection development system	
Fixing System	On-demand Fusing	
Resolution	Reading	600 x 600 dpi
	Printing	600 x 600 dpi
Number of Tones	256	
Acceptable Paper Stock	Paper Drawer	64 to 90 gsm
	Stack Bypass Tray	64 to 128 gsm
Acceptable Paper Size	Paper Drawer	A4, A4R, A3, A5, B4, B5, B5R
	Stack Bypass Tray	95 mm x 148 mm to 297 mm x 432 mm
Warm-Up Time	13 seconds or less	
First Copy Time	7.9 seconds or less (Using platen glass; A4, direct, paper drawer 1)	
Copy Speed (A4)	imageRUNNER 2422L	22 ppm
Magnification	25 - 400% in 1% increments	
Paper Feeding System	Paper Drawer	250 sheets (80 gsm)
	Stack Bypass Tray	80 sheets (80 gsm)
Output Orientation	Face down	
Multiple Copies	1 to 99 sheets	
Memory	Standard 64 MB	
OS Compatibility	Windows XP Professional/Home Edition, Windows 2000, Windows Server 2003, Windows Vista, Windows Server 2008, Windows 7	
Power Source	120 V AC, 50/60 Hz	
	220 - 240 V AC, 50/60 Hz	
Max Power Consumption	Approx. 1.406 kW (120V) / 1.373 kW (230V)	
Dimensions (W x D x H)	622 mm x 638 mm x 580.4 mm (one drawer with a platen cover attached)	
	622 mm x 676 mm x 672 mm (one drawer with a feeder attached)	
Weight	Approx. 37.9 kg (one drawer with a platen cover attached)	
	Approx. 43.9 kg (one drawer with a feeder attached)	
Toner Yield	Approx. 8,300 sheets equivalent (A4, 6% coverage)	
Drum Yield	55,000 sheets	
Optional Accessories		
Feeder (DADF-P2)		
Type	Automatic Document Feeder	
Originals	A4, A4R, A3, A5, B4, B5, B5R	
Original Paper Weights	52 gsm to 105 gsm	
Original Tray Capacity	50 sheets (80 gsm)	
Cassette Feeding Module-S1		
Paper Sizes	A4, A4R, A3, A5, B4, B5, B5R	
Paper Capacity	250 sheets x 1 drawer (80 gsm)	
Cassette Feeding Module-T1 *		
Paper Sizes	A4, A4R, A3, A5, B4, B5, B5R	
Paper Capacity	250 sheets x 2 drawers (80 gsm)	
Finisher-U2 *		
Paper	64 gsm to 128 gsm	
Stacking Capacity	770 sheets	
Max Stapling Capacity	50 sheets (Corner Staple only)	
Paper Sizes	A4, A4R, A3, B4, B5	
Duplex Unit-A1		
Paper Sizes	A4, A4R, A3, A5R, B4, B5, B5R	
Paper Weight	64 gsm to 90 gsm	
Inner 2 Way Tray-E2		
Capacity	Tray A	A4/B5: 100 sheets (80 gsm)
		Other Sizes: 50 sheets (80 gsm)
	Tray B	A4: 250 sheets (80 gsm)
		Other Sizes: 100 sheets (80 gsm)

\* Power Supply-Q1 is required.
