MF 244dw

Multifunction, Wireless, Duplex, Laser Printers

REVOLUTIONIZE TODAY'S WORKSPACE

- All-in-one functionality allows you to **print, scan, copy,** and **fax** (MF249dw only) with ease.
- **Easily connect** your compatible mobile devices without a router using Wi-Fi® Direct Connection.*
- Print at speeds of up to **28 pages per minute,**** (Letter) and up to **27 pages per minute**** (A4) with your first print in your hands in **6 seconds** or less.***
- Print on-the-go with **Canon PRINT Business,**† **Apple® AirPrint®,**‡ **Mopria™ Print Service,**‡‡ and **Google Cloud Print™.**‡‡
- Navigate through all the features with the user-friendly, **tiltable, black-and-white touch LCD panel.** (MF249dw only)
- Supports host-based UFR II LT, PCL (5e, 6) languages to provide **printing versatility.**
- Eco-conscious, all mode, **two-sided printing** out of the box helps save paper and related cost.
- Paper capacity allows for **250 sheets** in the standard cassette and one sheet in the multipurpose tray.**
- Low energy consumption; uses approximately **2 W** in wireless, **Energy Saver Mode.**

MF244dw

ADVANCED TECHNOLOGIES FOR YOUR OFFICE

Print On-The-Go

Print a variety of file types, Web pages, and images on-the-go with **Canon PRINT Business**,[†] **Apple AirPrint**,^{**} **Mopria Print Service**,^{***} and **Google Cloud Print**[♦] using your compatible mobile device. You can also scan hard-copy originals using Canon PRINT Business. For more information on Canon supported apps and compatibility, please visit <http://www.cla.canon.com/cla/en/office/MobileApps>.

Service and Support

At its foundation, Canon has an uncompromising dedication to product reliability, service, and support. From cutting-edge technology to industry-leading response times, Canon takes pride in delivering complete customer satisfaction.

GENUINE Toner

Canon's GENUINE toner is designed to help improve image processing and precise character printing as well as overall image quality. The Single-Cartridge System combines the toner and drum into the same unit, which means you only have one consumable to replace. Designed by Canon engineers and manufactured in Canon facilities, GENUINE supplies are developed using precise specifications, so you can be confident that your Canon device will produce high-quality results consistently. The MF240 Series offers standard Cartridge 137 Black (2,400-page yield).

Environmentally Conscious

Help decrease power consumption and energy costs with Canon's efficient Energy Saver mode. In this mode, the MF240 Series uses approximately 2 W of energy and meets ENERGY STAR[®] guidelines.

Generation Green

The MF240 Series is part of Canon's Generation Green Program, which highlights the company's commitment to sustainability.

Touch LCD Panel (MF249dw only)

The intuitive, tiltable touch LCD panel allows you to easily navigate through the menu. The wide-screen display is user friendly, helping you to complete tasks more quickly.

MF249dw

* Wi-Fi[®] is a registered trademark of the Wi-Fi Alliance[®]. The Wi-Fi CERTIFIED[™] Logo is a certification mark of the Wi-Fi Alliance[®].

** Print speed is based on internal testing. Print speed may vary depending on the number of copies selected as well as on the settings for size, type, and orientation of paper.

*** May vary depending on the output environment.

[†] Canon PRINT Business is a free app available on the App Store[®] and Google Play[™] Store. For more information, including compatibility, please visit: <http://www.cla.canon.com/cla/en/office/MobileApps>. Users of Canon Mobile Printing can simply update the app to use Canon PRINT Business; users who have installed Canon Mobile Scanning for Business should install Canon PRINT Business on their compatible device. After Canon PRINT Business is installed, users can re-register their Canon Mobile Scanning for Business device list and local documents.

^{**} Apple AirPrint functionality requires an iPad, iPad Mini, iPad 2, the new iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 7.0 - 8.0 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base Station, or Time Capsule is not supported.

^{***} Mopria Print Service, available free at the Google Play Store, requires a compatible Android 4.0 - 5.0 smartphone or tablet. The printer must be either wirelessly connected to the network router or with an Ethernet cable. The mobile device and printer must be connected to the same network.

[♦] Google Cloud Print requires an Internet connection and Google Account. Printer firmware update may be necessary for Google Cloud Print[™] function. Certain exceptions may apply. A PC running Windows[®] XP or later or a Mac[®] running OS 10.4.11 or later and USB cable are required to perform firmware update.

♦♦ Based on 20 lb. Bond paper.
