

imagePROGRAF  
TC-21

imagePROGRAF  
TC-21 M

## ALL THE **FORMATS** AND **FEATURES** YOU'LL NEED IN ONE PRINTER SERIES!

The Canon imagePROGRAF TC-21 and TC-21M printers are designed to provide the versatility that users need to create high-quality CAD drawings, posters, labels, banners, and more. Built for small workplaces, these compact and versatile large format printers can print on roll media up to 24" wide or print labels or letter/A4 to A1 sizes from the auto sheet feeder.

Maximum  
Print Width

Roll Paper & Cut Sheet Support

Compact Size for  
a Large Format Printer

280 ml (4 x 70 ml)  
Bundled Ink Bottles

PosterArtist

Desktop and Online  
Version Available<sup>1</sup>

### 1. Print More with Easy to Fill Ink Tanks

The TC-21 and TC-21M ship with 280 ml of ink (70 ml each color), the most in their class. Plus the design makes it easy to refill as the keyed bottles only fit into their intended ink tank.

*Various paper  
formats available  
at your fingertips*

### 2. Roll or Cut Sheet

From roll to cut sheet media, users have the choice to load up to 100 sheets of plain paper or print on roll media up to 24" wide!

8.5"x11"

### 3. Tilt Screen Operation Panel

The operation panel can be adjusted to suit the user's viewpoint and installation location, making the TC-21 and TC-21M ideal for both small and large workspaces.

11"x17"

### 4. Easily Print In Large Format

Make enlargements directly from the TC-21M without the need for a computer.

24" Wide Roll Paper

### 5. Free PosterArtist Software<sup>1</sup>

Easily create posters and flyers from a template-driven poster creation application. With the four-color pigment ink system users can easily create vibrant posters and flyers with crisp text. Available in both desktop and online versions.

# Accessories:

Optional add-ons for your imagePROGRAF TC-21 and TC-21M that will help protect output and streamline your office.

**SPECIFICATIONS AND AVAILABILITY ARE SUBJECT TO CHANGE WITHOUT NOTICE. ALL VIEWSCREEN AND PRINTER OUTPUT IMAGES ARE SIMULATED. NOT RESPONSIBLE FOR TYPOGRAPHICAL ERRORS.**

- PosterArtist Desktop is a paid version of PosterArtist. PosterArtist Online is a free version that requires a personal computer with Internet access and a compatible Canon printer. The service is not available on some operating systems or browsers. See [usa.canon.com/Poster-Artist](http://usa.canon.com/Poster-Artist) for details.
- AirPrint functionality requires a compatible iPad, iPhone, or iPod Touch device running iOS 7.0 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base station, or Time Capsule is not supported.
- Requires Android™ mobile device with Android 4.4 operating system or later with the Mopria Print Service pre-loaded with that device and the compatible PIXMA printer on the same wireless network. The Mopria experience is also available on Android 4.4 or later mobile devices with a download of the Mopria Print Service from Google Play.
- Requires an Internet connection and the Canon PRINT app, available for free on the App Store and at Google Play. Compatible with iPad, iPhone 3GS or later, and iPod touch 3rd generation or later devices running iOS 12.0 or later, and Android™ mobile devices running Android 4.4 or later. Your device must be connected to the same working network with wireless 802.11 b/g/n/a/ac capability as your printer. Requires a compatible social media account and is subject to that social media account's Terms of Service. Certain exceptions may apply.
- Operation can only be guaranteed on a PC with pre-installed Windows 10, Windows 8.1, Windows 7 SP1.
- Internet Connection required during software installation. For full compatibility macOS v10.12.1 or later is recommended.
- Some functions may not be available with these Operating Systems. Please refer to manual or Canon website for details.
- Functions and features may vary by printer model. Scanning requires Chrome OS 89 or later.
- Optical resolution is a measure of maximum hardware sampling resolution, based on ISO 14473 standard.
- Wireless printing requires a working network with wireless 802.11b/g or 802.11n capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.
- As an ENERGY STAR® Partner, Canon U.S.A., Inc. has certified this printer as meeting the ENERGY STAR energy efficiency criteria through an EPA-recognized certification body.

\* Line accuracy repeatability is guaranteed after a user performs necessary adjustment and under the same environmental conditions. Applies to media for line drawing (Plain Paper and Coated Paper) only.
